NEWS ITEMS

Staff Notes

Dr. P. H. Brieger attended the College Art Association of America annual meeting in Philadelphia, January 28-30.

Professor C. F. Comfort lectured on "Developments in Twentieth Century Painting" in the Stamford Institute lecture series in Niagara Falls, February 12.

Professor J. F. Heard lectured to the Specialist Navigation Course at Summerside, P.E.I. on Feb. 11 on "Refraction at Low Altitudes" and "Total Solar Eclipses."

Professor Donald A. MacRae addressed the Royal Astronomical Society of Canada, Toronto Centre, on Feb. 9, on "Radio Astronomy and the Milky Way."

Professor F. M. Heichelheim addressed the Adult Education Department of the Hebrew Congregation, St. Catharines, on Jan. 31, on "Archaeology and the Bible."

Three members of the Department of History took part in the programme of the American Historical Association's annual meeting in Chicago in December. Dr. J. C. Cairns gave a commentary on "Marshall Foch and the Rhineland Problem, 1919: a study in military ethics"; Professor M. R. Powicke read a paper on "Edward II and his Army"; and Professor B. Wilkinson read a paper on "Politics and Politicians of the thirteenth and fourteenth Centuries" and opened the discussion on the paper by Professor Helen Cam on representation of the Commons in mediaeval parliaments.

Kurt Levy presided at the Southern Ontario Chapter of the American Association of Teachers of Spanish and Portuguese meeting at McMaster University on February 13.

Professor J. H. Parker has been elected to the National Committee on Honorary Members of the American Association of Teachers of Spanish and Portuguese for the term 1954-1958.

During his leave-of-absence for the spring term Professor Northrop Frye is delivering a course of lectures at Princeton University. Professor Frye has been chosen the first Visiting Professor at Princeton on the new Class of 1932 Foundation in the Humanities.

Dr. W. B. Scott was appointed Director of the Ontario Council of Commercial Fisheries at the recent annual meeting.

Dr. F. A. Urquhart was appointed a Member of Council for the Society of Systematic Zoology.

Dr. R. F. Farquharson has been made an Honorary Citizen of the State of Texas.

Dr. R. M. Janes was elected an Honorary Member of the Society of Thoracic Surgeons of Great Britain and Ireland. On January 14, Dr. Janes addressed the Hollywood Academy of Medicine on "The Surgical Management of Lesions of the Breast." On January 23, Dr. Janes addressed the Los Angeles Surgical Society on "Post-Operative Complications," and at the same meeting was made an Honorary Member of the Los Angeles Surgical Society.

Professor C. P. Brackett attended the Chemical Institute of Canada meeting held at the Seigniory Club, Montebello, Que., January 9-10.

Professor W. L. Sagar was elected president of the Association of Professional Engineers of the Province of Ontario.

Professor B. Etkin attended the annual meeting of the Institute of the Aeronautical Sciences at New York.

Professor M. W. Huggins attended the annual meeting of the American Concrete Institute in Denver.

Professor M. W. Huggins was elected vice-chairman of the Toronto Branch of the Engineering Institute of Canada.

Professor K. B. Jackson attended the Twentieth Annual Meeting of the American Society of Photogrammetry in Washington, January 13-15, and the annual meeting of the Canadian Institute of Surveying and Photogrammetry in Ottawa, February 5.

Professor W. H. Rapson read a paper at the meeting of the Technical Section of the Canadian Pulp and Paper Association in Montreal on January 26-30.

Dr. G. Sinclair has been made a Fellow of the Institute of Radio Engineers. The citation accompanying the award reads: "For his contributions to the development of radiating systems and model techniques in antenna measurements." Dr. Sinclair was director of the antenna laboratory of the Ohio State University, Columbus, during World War II. The United States Awards Department previously awarded him the Certificate of Appreciation for his work there.

Drs. I. I. Glass and G. N. Patterson attended the annual meetings of the Institute of Aeronautical Sciences and the American Physical Society in New York, January 25-30.

Professor E. A. Allcut addressed the Ontario Society of Safety Engineering, February 4, on "An Ounce of Prevention." On February 17 Professor Allcut spoke to the Canadian Section of the Society of Automotive Engineers on "Fuel Economy."

Professor J. Butterfield recently gave addresses on the activities of the Consumer Research Department of the Canadian Association of Consumers to the Macdonald Institute Alumnae, Guelph, and to the Home Economics Association, Hamilton.

Dean A. C. Lewis will visit Dalhousie Dental School during the week of March 15 as a member of a committee of the Council on Dental Education of the Canadian Dental Association.

Professor John A. Long has been re-elected chairman of the Forest Hill Board of Education, thus becoming a member of the Toronto Metropolitan School Board for another year. Dr. Long was the first chairman of the Metropolitan Board.

In February, Professor C. E. Phillips spoke to the Salmagundi Club on "The Structure of Public Education in Ontario." He took part, on February 19, in a panel discussion of modern education along with Professor Hilda Neatby and Dr. R. O. MacFarlane. The meeting was broadcast from Saskatoon as a Citizens' Forum program.

Professor B. C. Diltz addressed the Victoria College Women's Association on "A Morsel for the Mind," on January 27, and on February 7, the Newman Club, Kingston, on "Gerard Manley Hopkins—Poet-Prophet."

Professor George E. Tait addressed Sarnia district teachers on "Present Trends in Social Studies" on February 26.

Professor Clifford C. Pitt delivered a series of lectures on Educational Psychology to the Hebrew Midrasha during January and February. He also addressed the Islington Home and School Association on "Child Guidance" and the Shaarei Shomayim Parent-Teachers Association on "The Psychological Needs of Children."

E. Brock Ridout has been elected a member of the first Board of Education for Scarborough Township.

Professor Bertha Bassam attended the Association of American Library Schools meeting in Chicago in February.

Miss Margaret Cockshutt attended the February 12th meeting of the Joint Planning Commission of the Canadian Association for Adult Education, as a representative of the Canadian Library Association.

Dean J. W. B. Sisam addressed the Southern Ontario Section of the Canadian Institute of Forestry on "Forest Education" on February 10.

Dr. Arnold Walter will address the Chicago Music Educators' National Convention on March 28 on "The International Society of Music Education."

Principal Ettore Mazzoleni will address the Ontario Regional Music Teachers' Association on March 15.

Extramural lectures will be given in March by Dr. W. G. McIntosh before the Lambton County Dental Society at Sarnia, by Dr. F. T. Pearson before the Renfrew County Dental Society at Camp Petawawa, and by Dr. A. A. Antoni before the Bay of Quinte Dental Society at Belleville.

Dr. J. H. Johnson will be a clinician at the Thomas P. Hinman Mid-Winter Clinic, Atlanta, March 21-24.

Dr. C. H. M. Williams will present a one-week course on Periodontology at the University of Oregon, Portland, March 29-April 3.

Dr. J. B. Macdonald will lecture on March 22 at Washington University, St. Louis, Mo.

The following Faculty of Dentistry staff members will participate in seminars in Guelph and Windsor, March 1-2, and March 3-4 respectively, to be conducted jointly by the Faculty and the Dental Public Health Committee of the Ontario Dental Association: Dr. J. T. Crouch and Dr. Marjorie Jackson; Dr. W. K. Shultis and Dr. M. G. Boyes.

At the International Association for Dental Research General Meeting, to be held at French Lick, Ind., March 19-21, the following papers will be presented from the Division of Dental Research: Dr. J. B. Macdonald, "The Production of Fusospirochetal Infections in Guinea Pigs with Recombined Pure Cultures"; Dr. Gordon Nikiforuk, "The Reducing Properties of Saliva towards some Reduction-Oxidation Indicators"; Dr. K. J. Paynter, "An Investigation of the Relation of Nutrition to Tooth Morphology"; Dr. R. M. Grainer, "A Provincial Dental Caries Index"; Dr. H. A. Hunter, "The Effects of Single Injections in Experimental Animals of Soluble Components of Fusospirochetal Materials."

Several members of the Faculty of Dentistry staff will attend the thirty-first annual meeting of the American Association of Dental Schools in French Lick, March 22-24.

Dr. J. H. Ebbs addressed the Physical and Health Education Alumni Association on February 2 on "Where is Physical Education Going?"

Dr. W. E. Blatz addressed the Physical and Health Education Undergraduate Association on February 4.

The National Council of Jewish Women of Canada has awarded a travelling fellowship to Mrs. Josephine Chaisson to study the problems of aging in Scandinavian countries and in England during the summer.

Professor E. Ray Godfrey recently conducted, in Port Hope, the third of a series of four week-end workshops on Children's Aid work with a group of Children's

Aid Societies of Southern Ontario. Professor Godfrey addressed the Children's Aid Society of Peel County at its annual meeting in Port Credit, February 4.

Professor John S. Morgan has been appointed Simon Visiting Professor at Manchester University for the Michaelmas Term, 1954. He will do comparative research in the field of social welfare administration.

Professor Murray G. Ross has prepared an extensive memorandum on "The Theory and Principles of Community Development" for UNESCO.

Professor Charles E. Hendry addressed the Board of University Settlement on the subject of the University Settlement and Settlement community as a laboratory for research and training as related to the University.

Professor Albert Rose spoke to the Joint Planning Commission of the Canadian Association for Adult Education on the subject, "The Jewish Community of Canada."

Miss Jean Wilson has been elected Chairman of District No. 5 of the Registered Nurses Association.

Faculty and Department Notes

The Faculty of Medicine will conduct a refresher course in Eye Surgery from April 26 to 30. The staff of the Department of Ophthalmology will contribute to the course, and guest surgeons will be Dr. John Foster of Leeds, England, and Dr. Wendell L. Hughes, Hempstead, N.Y.

Dr. E. V. Kalyani, Honorary Obstetrician and Gynaecologist at the Government Hospital for Women and Children in Madras, and Dr. P. M. Naidu, Professor of Obstetrics and Gynaecology at the Osmania Medical College in Hyderabad, recently visited the clinics of the Department of Obstetrics and Gynaecology. They were also shown the work in the Cancer Clinic and the gynaecological operative procedures carried out in the University Hospitals.

Miss Hazel Wilbraham of the University of Rochester, was guest instructor in the School of Physical and Health Education on January 22 and 23.

The Departments of Geological Sciences, Geophysics, Mining Engineering and Metallurgy held Open House for Grades XII and XIII students on Friday evening, February 19, and Saturday morning, in order to provide them with information on career opportunities in the mineral industries.

Dr. C. E. Hendry, who is chairman of the National Committee of Canadian Schools of Social Work, announced a Carnegie Corporation grant of \$12,000 to the Committee for a study of social work education. This project will be directed by a Joint Steering Committee composed of representatives of the School of Social Work, the Canadian Schools of Social Workers, and social agencies employing professional social workers. The Canadian Welfare Council will also participate.

On February 16 the School of Social Work sponsored a conference with executives of social welfare agencies on changes and developments in the curriculum of the School.

The International Association for Dental Research, Toronto Chapter, was addressed on February 5 by Dr. Byron Hughes, University of Michigan, on "The Growth of a Child as a Whole," and on February 12 by Dr. Maurice V. Stack, Harvard School of Dental Medicine, on "The Chemical Nature of the Organic Matrix of Dentin and Enamel."

The Faculty of Dentistry will conduct a continuation course in the subject of Endodontics, March 8-12, under the direction of Dr. G. C. Hare. The guest clinician will be Dr. F. D. Ostrander, University of Michigan. A continuation course in the subject of Orthodontics will be held March 17 and 18 under the direction of Dr. D. H. Jenkins. Dr. E. W. Renfroe, University of Illinois, will be guest lecturer.

The School of Nursing will conduct a refresher course on "The Nurse and the Art of Interviewing" from March 10-12.

Appointments

The appointment of Herbert R. Rice as professor and head of the Department of Mining Engineering in the Faculty of Applied Science and Engineering has been announced. Mr. Rice is a graduate of Queen's University who has had extensive experience in mining operations, including seven years in Ontario gold mining fields, three years in Northern Rhodesia copper mines, and six years in India. He has edited the Canadian Mining Journal for the past three years. Mr. Rice will assume his duties here on March 1.

Burton S. Keirstead has been appointed professor in the Department of Political Economy, from July 1st next. Professor Keirstead received B.A. degrees from the University of New Brunswick and from Exeter College, Oxford. He was Professor of Economics at the University of New Brunswick from 1931 to 1942, and since then has been Dow Professor of Political Economy at McGill University.

George E. Britnell will be the first Harold Innis visiting professor in the Department of Political Economy, for the 1954-55 term. Professor Britnell was educated at the University of Saskatchewan, the London School of Economics and Political Science, and at the U. of T. where he obtained his M.A. and Ph.D. degrees in 1934 and 1938. He is now Professor of Political Science and head of the department at the University of Saskatchewan.

Four appointments have been made under the Harry M. Cassidy Memorial Research Fund. Dr. Nicolaas Pansegrouw will be the first Cassidy Research Visiting Professor. A native of South Africa, and a graduate of the University of Stellenbosch, he is at present on leave from the United Nations Secretariat, where he has been serving as acting chief of the section on social science. The other three awards are grants-in-aid: Roger Marier of McGill University, for a pilot project in community planning in Quebec province; David Donnison, on leave from the University of Manchester, who will study social needs and services in a small Ontario community; Dr. Albert Rose, for a comprehensive research monograph on Social Aspects of Housing in Canada.

Miss Marion Shiell has been appointed lecturer in the School of Social Work. Miss Shiell has been director of the Social Service Department of Victoria Hospital, London, Ont., since 1952. She will also serve as admission's officer of the School.
